

Leveraging Your Software Assurance Training Vouchers (SATVs)

Vitalyst makes it simple to unlock the value of the Software Assurance Benefits (SAB) from your Microsoft licensing investment. We help your employees master Microsoft technology and ensure your organization achieves—and maintains—the highest level of digital competency without sacrificing productivity.

As a Microsoft customer, you may be entitled to Software Assurance Benefits (SAB), which are outlined in your Enterprise Agreement. Your SAB can be converted and redeemed for SATV—dedicated funds for Microsoft Official Courseware (MOC) training on the latest Microsoft technologies. As a Microsoft Gold Learning Partner, Vitalyst accepts your SATV for us to deliver advanced, expert training on Microsoft technologies.
