ARE YOU MISSING OUT ON FREE MICROSOFT PROGRAMS AND BENEFITS?

As a Microsoft customer, you may be eligible for one or more programs, which offer benefits such as free technical training, change management workshops, deployment assistance, and adoption services. As a Gold Learning and FastTrack Ready Partner, we help customers identify programs they may qualify for, and help them understand how best to leverage them based on their organization's needs and goals. Here's a look at some of the programs.

WHERE ARE YOU IN YOUR JOURNEY TO THE CLOUD?

ARE YOU CONSIDERING A NEW DEPLOYMENT?

Customer Immersion Experience (CIE)

The Customer Immersion Experience (CIE) enables you to explore Microsoft technologies through a hands-on, interactive, virtual "sandbox" environment populated with data, files, personas, and Microsoft solutions at your own pace.

ARE YOUR PLANNING A NEW OR PROGRESSING AN EXISTING DEPLOYMENT?

Desktop Deployment Planning Services (DDPS)

Vitalyst's expert resources can help you plan a successful deployment of Microsoft Office 365 Pro Plus, Office Professional Plus, Teams, and Windows 10—providing analysis, planning, and technical guidance. Discover the best approach for deploying new wrokloads across your organization.

FastTrack Ready

As a FastTrack Ready Partner, we have been authorized by Microsoft to help customers plan, deploy and drive adoption of their Microsoft cloud solutions. We're one of a select number of partners who can offer Change Management Planning and Training Programs to customers owning subscriptions of Microsoft 365, and we will leverage these benefits throughout your deployment to ensure success.

Modern Desktop Deployment Assistance

If you are looking to understand how best to deploy and adopt Windows 10 and Office ProPlus, Vitalyst will provide you with hands-on deployment support, including proof of concepts, pilot development and service planning, security and imaging.

Software Assurance Training Vouchers (SATVs)

As a Microsoft customer, you may be entitled to Software Assurance Benefits (SAB), which are outlined in your Enterprise Agreement. Your SAB can be converted and redeemed for Software Assurance Training Vouchers (SATVs)—dedicated funds for Microsoft Official Courseware (MOC) training on the latest Microsoft technologies.

ARE YOU LOOKING TO EXPAND ADOPTION AND USAGE?

Adoption Programs

Whether you are deploying one or more Office 365 applications (Office ProPlus, One Drive for Business, SharePoint, Outlook Mobile, etc.) for the first time, or are looking to migrate from Skype for Business to Microsoft Teams, Microsoft offers customers who qualify, fully-funded and low-cost programs aimed at helping drive adoption post-deployment, and/or jumpstart adoption post deployment.
